PURCHASE ORDER ATTACHMENT TQA-170-01

PRECISION CLEANING REQUIREMENTS

This document establishes precision cleaning requirements for EKV procured material.

Precision clean IAW Raytheon specification DP60649-569, Level 100, Grade A/5.

In the event of conflict of this cleaning requirement with another cleaning requirement specified on a Raytheon engineering drawing, this purchase requirement will take precedence. A Raytheon part drawing must accompany each shipment to the cleaning vendors designated below.

Cleaning will be performed at :

National Technical Systems
5320 W. 104th St.
Los Angeles, CA 90045
or
Janzen Wahl Group LLC
548 W. Lester St.
Tucson, AZ 85705
