

PURCHASE ORDER ATTACHMENT TQA-06 (00)

LIMITED SHELF LIFE MATERIAL

The Seller shall label the limited shelf life material/parts specified in this Purchase Order. The labels shall contain, as a minimum, the following:

1. Manufacturer's name.
2. Specification to which the item is purchased, with type and class (if applicable).
3. Date of manufacture, or cure date.
4. Batch/lot number.
5. Raytheon part number (if applicable).
6. Storage temperature.

The materials/parts shipped under this attachment must arrive at the Buyer's facility with less than 25 percent of the specified shelf life expended.
