

PURCHASE ORDER ATTACHMENT TQA-159B (00)

**MATERIAL REVIEW AUTHORITY
(MIL-STD-480)**

1. Material Review and disposition of minor nonconformances may be accomplished by Seller to the extent authorized by the Buyer's Letter of Delegation to the Seller.
2. Seller's system for control and disposition of nonconforming material shall comply with the requirements of MIL-STD-480.
3. Nonconformances beyond the authority of the Letter of Delegation (i.e., major nonconformances) or that require clarification/interpretation of requirements, shall be submitted in accordance with the Buyer's instructions.
4. Major nonconformances may not be reduced to minor nonconformances by reworking or repairing the material.
5. Material Review Authority cannot be flowed down to Seller's subtier suppliers unless specifically authorized in the Buyer's Letter of Delegation.
6. Material review records shall be available for review/audit upon request by Buyer.
