

PURCHASE ORDER ATTACHMENT GA-002

BLANKET ORDER TERMS

In addition to the Raytheon General Terms and Conditions of Purchase, the following terms and conditions are applicable:

1. Seller shall not exceed the dollar value set forth in the order unless authorized in writing by the Buyer or by change order to this order.
2. Seller shall install whatever costs controls are necessary to ensure adherence to the Not-to-Exceed limitation.
3. When 70% of the Not-to-Exceed limitation has been charged to this order, Seller will notify Buyer in writing.
4. When 100% of the Not-to-Exceed limitation has been charged to this order, Seller shall accept no further changes.
5. In no event shall Seller accept any charges against this order after the period of performance stated therein whether or not unused funds remain in the order.
6. By issuance of this Blanket Order, Raytheon does not promise to buy any materials or services of the kind described in the Blanket Order. Raytheon's only obligation shall be to pay, at the prices named in the Blanket Order, for materials and services which are actually ordered hereafter by those persons whom the purchase order identifies as having authority to place such orders. All such orders will be subject to the terms of this Blanket Order, including the General Terms and Conditions of Purchase.

The Blanket Order is subject to the following additional provision:

The quantity indicated for each item in the Blanket Order is for internal Raytheon use only; it is not a commitment to buy any or all of the quantity indicated, nor is it a limitation upon Raytheon's right to buy in excess of that quantity.

Billing shall be rendered each month by itemized statement clearly describing the material purchased during the month and shall be dated the last day of the month in which materials were delivered. As a result of this Blanket Order, Raytheon incurs no liability whatsoever nor any obligation to order any material pursuant to this Blanket Order. All obligations which are limited to and arising only from orders so placed shall be subject to the standard Terms and Conditions of Purchase set forth in this Blanket Order.

The text of this document shall not be changed except by written agreement between Buyer and Seller.
