

## **Q-9003**

### **Seller's Quality System**

1. Seller's quality system shall be in compliance with the current revision of ISO 9003, Final Inspection and Test.
2. Compliance to ISO 9003 shall be evidenced by current third party certification or documentation of a Raytheon Systems Company audit to the requirements of ISO 9003.
3. Buyer and authorized Government Representatives (if a government contact is involved) reserve the right to enter Seller's plant(s) and those of Seller's suppliers at every tier, when reasonable, that may be engaged in work relating to the Purchase Order, for the purpose of surveillance/inspection of the Seller's (and Seller's suppliers') processes, controls, quality records and systems, as well as supplies/services procured under this Purchase Order. Surveillance/inspection of Seller's processes and controls will not constitute acceptance of the supplies/services being procured.
