

PURCHASE ORDER ATTACHMENT SP-07

**DEBARMENT, SUSPENSION, PROPOSED DEBARMENT
AND OTHER RESPONSIBILITY MATTERS**

As part of a quotation or proposal to Raytheon Systems Company expected to exceed \$25,000, the Offeror hereby certifies that, to the best of its knowledge and belief, the Offeror or any of its principals are not presently debarred, suspended, proposed for debarment or otherwise declared ineligible for the award of contracts by any Federal agency by the inclusion of the Offeror or its principals in the current "LIST OF PARTIES EXCLUDED FROM FEDERAL PROCUREMENT OR NON-PROCUREMENT PROGRAMS" published monthly by the U.S. General Services Administration Office of Acquisition Policy.

"Principals" for the purpose of this certificate, means officers, directors, owners, partners, and persons having primary management or supervisory responsibilities within a business entity.

The Offeror shall provide immediate written notice to Raytheon Systems Company if, at any time prior to purchase order award, it learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

Failure to provide this certificate will not necessarily result in the withholding of a purchase order; however, the certificate will be considered in connection with a determination of the Offeror's responsiveness. Failure of the Offeror to furnish such additional information as requested in the absence of this certification may render the Offeror non-responsive.

Execution of this certificate is a material representation of fact upon which reliance may be placed in making a purchase order award. If it is subsequently determined that this certificate was erroneous, Raytheon Systems Company may, in addition to other available remedies, terminate a purchase order resulting from this solicitation for default.
